Welcome

Dear Graduate,

After a truly incredible year, I am delighted to welcome you and your guests to the 2025 graduation ceremony of Ravensbourne University London. Today, we celebrate all that you have achieved, and we recognise the vital support that those around you have provided during your degree.

It is undeniable that it has taken not only hard work, but grit, determination, and creativity to complete your degree. As you progress to the next exciting stage in life – whether that is further study or entering the working world – you should do so with confidence and pride. Regardless of what the future may hold for you; you should all remember that you have immense strength and tenacity which have helped you to succeed. We are proud to celebrate the whole class of 2025 for your perseverance.

This cohort will be joining notable alumni and thought leaders – such as Richard Howarth and Andi Osho – who have previously completed studies at Ravensbourne and gone on to shine in their respective fields. Throughout your time here, we have encouraged you to utilise the talent and industry links around you. We hope that you'll maintain the amazing connections that you've made and continue to discover how interdisciplinary collaboration can enrich your career.

We would like to continue to be a part of your journey and see what you get up to next; we really enjoy celebrating the many achievements of our alumni. Please do keep in touch and remember that we are always here to offer career guidance and post-study opportunities.

On behalf of everyone at Ravensbourne, I give you our heartfelt congratulations. I wish you the very best for the future and am entirely confident that you will all go on to achieve amazing things. Great opportunities await you and you can trust that you have the skills and determination to seize them.

I hope you and your loved ones make some wonderful memories today that you can cherish for years to come.

Best wishes,

Jon Kingsbury
Vice Chancellor
Ravensbourne University London

She is the former UK President for WPP, the world's largest marketing services group, where she was responsible for driving growth in WPP's second largest market of 13,000 people, and managing revenue of \$2 billion. Karen has extensive multinational experience having previously served as EMEA Chief Operating Officer, with a broad variety of international priority markets.

In 2014, Karen became the first businesswoman named at number one in the Powerlist.

In 2017, Karen was appointed Chancellor of the University of Portsmouth, becoming the first alumna to take the role. She has held Non-Executive Director positions at Creative UK since 2016 and Diageo, a FTSE Top 10 Company, since 2022. Karen is also a former Non-Executive Director of the Cabinet Office.

Karen founded The Black Equity Organisation in 2021, alongside David Lammy MP, David Olusoga OBE, Kwame Kwei-Armah OBE, Ric Lewis and Dame Vivian Hunt. The lines flowing along the left of the certificate represent the flow of the River Ravensbourne, from where the University gets its name. The dotted pattern winding across from left to right represents the River Thames as it curves around the Greenwich Peninsula, which has been Ravensbourne’s home since 2010.

A lifelong connection

As a Ravensbourne University London graduate, your connection extends beyond your time of study. Your journey continues as part of our amazing alumni community. It's a place to stay inspired, keep curious and strengthen relationships.

Our network

We are launching The Network, an informative and collaborative space for our alumni to engage with Ravensbourne and each other after graduation. We are planning an exciting programme of events, resources and opportunity – just for you.

Getting involved and giving back

We believe that the strength of our alumni community lies in its shared knowledge and experiences. Our alumni find immense satisfaction in knowing that their journey can inspire today's students to reach their full potential and excel within their respective industries.

We're seeking alumni who are willing to:

- visit their former schools or colleges
- support in-course learning
- visit us as a guest speaker
- be a mentor or panellist
- share their testimonials and achievements.

Join The Network and be part of our growing community of alumni. Scan the QR code below, tick the permission box and we'll be in touch with ways to get involved.

Entrepreneurial support

StartUp Lab

Ravensbourne is home to StartUp Lab, an inclusive and collaborative mentorship hub which supports entrepreneurial students and graduates looking to launch their own business ventures.

StartUp Lab builds on our industry-focused curriculum by providing further guidance and opportunities for graduates pursuing their start-up ambitions.

Within our space we offer group programmes, workshops from business experts, access to one-to-one industry mentors, networking with investors, business planning and a professional sounding board from the StartUp team at Ravensbourne. Graduates can also work alongside founders and businesses in the space to collaborate and gain experience.

The latest ways you can get involved:

- We run six-month accelerator programmes for aspiring graduate entrepreneurs, designed to help you transform your ideas into reality. The next one will begin in September 2025 and you can apply now.
- We have facilities to create content, podcasts and collateral to elevate your businesses.
- We run weekly events and workshops in the hub from experienced founders and thought leaders, just get in touch to book.
- StartUp Lab has recently moved to a brand-new dynamic space that can be used for business meetings and networking opportunities.
- We can help you find student interns and support on projects to help progress your business.

Whether it's a lightbulb moment or a full business plan, get in touch with the StartUp Lab team.
