Welcome

Dear Graduate,

After a truly incredible year, I am delighted to welcome you and your guests to the June 2026 graduation ceremony of Ravensbourne University London. Today, we celebrate all that you have achieved, and we recognise the vital support that those around you have provided during your studies.

It is undeniable that it has taken not only hard work, but grit, determination and creativity to complete your degree. As you progress to the next exciting stage in life – entering the working world – you should do so with confidence and pride. Regardless of what the future may hold for you, you should all remember that you have immense strength and tenacity which have helped you to succeed. We are proud to celebrate the whole class of 2026 for your perseverance. This cohort will be joining notable alumni and thought leaders – such as Richard Howarth and Andi Osho – who have previously completed studies at Ravensbourne and gone on to shine in their respective fields.

Throughout your time here, we have encouraged you to utilise the talent and industry links around you. We hope that you'll maintain the amazing connections that you've made and continue to discover how interdisciplinary collaboration can enrich your career. We would like to continue to

be a part of your journey and see what you get up to next; we really enjoy celebrating the many achievements of our alumni.

Please do keep in touch and remember that we are always here to offer career guidance and post-study opportunities. On behalf of everyone at Ravensbourne, I give you our heartfelt congratulations. I wish you the very best for the future and am entirely confident that you will all go on to achieve amazing things. Great opportunities await you and you can trust that you have the skills and determination to seize them.

I hope you and your loved ones make some wonderful memories today that you can cherish for years to come.

Best wishes,

Jon Kingsbury
Vice Chancellor
Ravensbourne University London

Your certificate

We are proud to award you with our degree certificate, whose design is inspired by the two rivers of Ravensbourne's history. The lines flowing along the left of the certificate represent the flow of the River Ravensbourne, from where the University gets its name. The dotted pattern winding across from left to right represents the River Thames as it curves around the Greenwich Peninsula, which has been Ravensbourne's home since 2010.

The University Mace

The Mace is the symbol of governing authority and is carried before the Presiding Officer at graduation ceremonies.

The modern design of Ravensbourne University London's Mace reflects the mission and vision of the university to develop people, ideas and innovation, all in collaboration with industry.

That the Mace was designed by BA (Hons) Product Design alumna, Anna Eerdmans, is a testament to the pedigree of innovative design with which the University has become synonymous.

Indeed, the design of Ravensbourne's Mace takes into careful consideration symbolism, heritage and local representation.

The Mace pays homage to Ravensbourne's origin and its founding members. The three-prong base represents the three colleges, Bromley School of Art, Beckenham School of Art and Sidcup Art College. These colleges combined to form Ravensbourne College of Art and Design in 1962, before Ravensbourne was awarded its university status in 2018.

Another prominent feature is the dome on top of the Mace, which takes inspiration from the famous Greenwich Observatory dome, representing technical

advancement, growth, and learning. The cubed section of the Mace represents Ravensbourne's iconic logo and the sun is a symbol of creativity and learning.
