

BA (Hons) Fashion: Equipment List

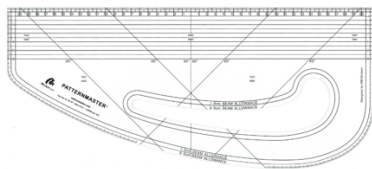

You will need some Essential Equipment for your timetabled sessions and independent study. You will use these items on a very regular basis throughout your studies and into your future careers. It is advisable to purchase the best quality you can afford.

Ravensbourne Fashion has teamed up with equipment supplier: **Design Surgery**, to create a curated pack of essential, high-quality [Pattern Cutting and Sewing Equipment](#). You may already have some of the necessary equipment from your previous studies however do check against the list below and ensure you source any missing items.

You will need to purchase an essential [Sewing Room Pack](#) which is specifically for use with the on-campus industrial sewing machines.
