Welcome

Dear Graduate,

After a truly incredible year, I am delighted to welcome you and your guests to the October 2026 graduation ceremony of Ravensbourne University London. Today, we celebrate all that you have achieved, and we recognise the vital support that those around you have provided during your studies.

It is undeniable that it has taken not only hard work, but grit, determination and creativity to complete your degree. As you progress to the next exciting stage in life – entering the working world or going on to postgraduate study – you should do so with confidence and pride. Regardless of what the future may hold for you, you should all remember that you have immense strength and tenacity which have helped you to succeed. We are proud to celebrate the whole class of 2026 for your perseverance. This cohort will be joining notable alumni and thought leaders – such as Richard Howarth and Andi Osho – who have previously completed studies at Ravensbourne and gone on to shine in their respective fields.

Throughout your time here, we have encouraged you to utilise the talent and industry links around you. We hope that you'll maintain the amazing connections that you've made and continue to discover how interdisciplinary collaboration can

enrich your career. We would like to continue to be a part of your journey and see what you get up to next; we really enjoy celebrating the many achievements of our alumni.

Please do keep in touch and remember that we are always here to offer career guidance and post-study opportunities. On behalf of everyone at Ravensbourne, I offer you our heartfelt congratulations. I wish you the very best for the future and am entirely confident that you will all go on to achieve amazing things. Great opportunities await you and you can trust that you have the skills and determination to seize them.

I hope you and your loved ones make some wonderful memories today that you can cherish for years to come.

Best wishes,

Jon Kingsbury
Vice Chancellor
Ravensbourne University London

Honorary Doctorates

Vanessa Kingori OBE

Vanessa Kingori OBE is a multi-award-winning technology and culture business transformation leader with over two decades of experience across AI, luxury, media and commerce. Known for making history as British Vogue's first female Publishing Director in over a century and Condé Nast's first Black Publisher globally, she delivered record revenue growth before becoming Google's most senior Black leader in Europe as Managing Director of Technology, Media and Telecommunications.

Now an entrepreneur scaling her global consultancy, Vanessa advises Founders and business leaders on capitalising on AI-driven behavioural shifts, cultural transformation and commercial growth. Her achievements have been recognised with an OBE, an MBE, three honorary doctorates, the Freedom of the City of London and top rankings on the Powerlist. A sought-after international speaker who has addressed the World Economic Forum in Davos and SXSW, she also serves on the Board of the Malala Fund.

Chioma Nnadi

Chioma Nnadi was named Head of Editorial Content for British Vogue in September 2023. She began her career on the features desk of the Evening Standard Magazine in London before moving to New York to write for Trace, an independent style magazine. She went on to work as the Style Director at Fader, covering fashion through the lens of music.

In 2010, she joined Vogue as a fashion writer, and in 2014 she took on a digital role, Fashion News Director for Vogue.com, where she worked on the relaunch of the site and oversaw the fashion news team. In September 2020, Chioma was appointed Editor of Vogue.com and Global Network Lead where she oversaw the digital team and editorial content for the site. She also serves as the co-host for the Vogue podcast, The Run-Through.

Your certificate

We are proud to award you with our degree certificate, whose design is inspired by the two rivers of Ravensbourne's history. The lines flowing along the left of the certificate represent the flow of the River Ravensbourne, from where the University gets its name. The dotted pattern winding across from left to right represents the River Thames as it curves around the Greenwich Peninsula, which has been Ravensbourne's home since 2010.

The University Mace

The Mace is the symbol of governing authority and is carried before the Presiding Officer at graduation ceremonies.

The modern design of Ravensbourne University London's Mace reflects the mission and vision of the university to develop people, ideas and innovation, all in collaboration with industry.

That the Mace was designed by BA (Hons) Product Design alumna, Anna Eerdmans, is a testament to the pedigree of innovative design with which the University has become synonymous.

Indeed, the design of Ravensbourne's Mace takes into careful consideration symbolism, heritage and local representation.

The Mace pays homage to Ravensbourne's origin and its founding members. The three-prong base represents the three colleges, Bromley School of Art, Beckenham School of Art and Sidcup Art College. These colleges combined to form Ravensbourne College of Art and Design in 1962, before Ravensbourne was awarded its university status in 2018.

Another prominent feature is the dome on top of the Mace, which takes inspiration from the famous Greenwich Observatory dome, representing technical

advancement, growth, and learning. The cubed section of the Mace represents Ravensbourne's iconic logo and the sun is a symbol of creativity and learning.
