Home and European Union Students born before 31 August 2000:

I confirm that the date of birth I have entered in Section 3B is correct.

All International students and Home and EU students born on or after 31 August 2000.

I accept that I am personally liable for payment of my tuition fees. I understand that in the event that I withdraw from the course I will be liable for 25% of the annual tuition fee for withdrawing at any point during the first term, 50% of the annual tuition fee for withdrawing at any point during the second term and the full annual tuition fee for withdrawing at any point during the third and final term.

Payment by instalments does not mitigate the liability to pay the above tuition fees, should I withdraw.

I confirm that, where I have made an application for an advanced learner loan to cover the fees of this course, I am responsible for providing all information requested by Learner Provider Services and that I will be held liable for my tuition fees in the event that my application is declined or I am deemed ineligible.

I understand and accept that in the event of non-payment of my fees by the required date that the College may:

▶ Charge a late payment fee of 5% on amounts remaining unpaid after 30 days from the due date AND a further 5% of the overdue amount where amounts remain unpaid after a further 30 days.

▶ Not to permit re-enrolment for any subsequent year of the course until all outstanding fees have been paid.

I understand that the College reserves the right to pass on the details of fee debtors to a debt collection agency to pursue, including the costs of any such action.
